Thomas Scholl Is Delegate To Conference On Atom

Thomas H. Scholl, 17, a senior in Greencastle High School, has been named a delegate to the 1965 National Youth Conference on the Atom, December 8-11, in Chicago.

Scholl, son of Mr. and Mrs. Harold Scholl, 803 Gardnerside Drive, will be one of three Hoosier high school science delegates attending as guests of Public Service Indiana. The local electric company is one of the more than 60 investor-owned utilities sponsoring the youth meeting.

Some 600 pupils and teachers from across the nation will participate in the atom conference. Its purpose is to explain some of the challenges and opportunities offered by peaceful uses of the atom, according to H. J. (Pat) Blume, Greencastle area manager for Public Service Indiana.

Scholl will be accompanied by his teacher, Kyle Miller. Others in the Public Service Indiana delegation will be a pupil and teacher from Lafayette and Shelbyville high schools.

School officials selected delegates on basis of outstanding aptitudes and interests in the field of science.

"This conference is a good meeting place for high school pupils who get a chance to mingle with the country's top nuclear scientists," Blume said. "Besides gaining a thorough insight of the nuclear energy field, the pupils will see some of the remarkable developments taking place in the field."

Patrol Plane Crashes, 5 Die

KEY WEST, Fla. UPI — A Navy submarine hunter patrol plane crashed in the Florida Straits between Key West and Cuba Thursday night, killing all four crewmen.

Navy officials said the S2F anti-submarine warfare plane went down about 21 miles south of this island city while on a routine training flight.

The names of the crewmen were withheld pending notification of next of kin.

Temple Lodge F. & A. M. No. 47 members held their annual homecoming dinner at the Masonic Temple.

Mrs. Ernest Collins was hostess to the Officers Wives Club. Maynard Tuttle resumed his work at the Post Office after service with the U.S. Navy.

Ruben Dooley Speaks At Kiwanis Luncheon

Ruben Dooley, representing the Natural Resources Commission of Indiana, was the guest speaker at the weekly luncheon of the Greencastle Kiwanis Club Thursday noon. He was introduced by Kenneth Harris, Putnam County Agriculture Agent.

Dr. Dooley discussed the responsibility and work of the newly created commission now in the process of reviewing the condition of Indiana State Parks. A program of increasing and modernizing lodging facilities is already started. Pokagon and Brown County Parks have been improved.

Donald Lowry, R. E. A. Field Engineer, was a guest of the club.

A group of local Kiwanians attended the regular meeting of the Greater Terre Haute Kiwanis Club on Tuesday evening. Those attending were Charles Carmichael, Arthur Shoemaker, Ervan Walton, John Ricketts, Grafton Longden, Jr., Earle Boyd and Robert Pattison.

President Carmichael, announced that next week Kiwanis will meet Wednesday, Nov. 24, at noon, at the Union Building.

Rev. Francis Kull will address a joint meeting of the Kiwanis and Rotary Clubs on this Thanksgiving season.

Princess Tours Old New York

NEW YORK UPI—Princess Margaret gets her first big look at the nation's biggest city today, starting appropriately with a trip to the top of the world's tallest building.

The British Princess and her husband, Lord Snowdon, arrived here Thursday to begin a six-day sightseeing and partying visit that will conclude their three-week tour of the United States.

"This is not the end of a glorious visit, but the beginning of what I know will be my introduction to perhaps the most exciting and vibrant city there is," the Princess said.

Apparently with an eye on today's busy schedule which includes visits to the Empire State Building, United Nations, receptions and a charity ball, the royal couple spent a relatively quiet night at the home of Mr. and Mrs. Hay Whitney.

Dr. Leo C. Davis, of Bedford, District Superintendent of the Southwest Indiana District Church of the Nazarene, will be guest speaker at the Greencastle First Church of the Nazarene, Sunday at 10:30 a. m.

Mr. Davis has been superintendent since 1948. The district has grown consistently under his leadership and now comprises about 7,000 members in 106 Churches with a Sunday school enrollment totaling about 17,000.

Mrs. Ernest Collins was hostess to the Officers Wives Club. Maynard Tuttle resumed his work at the Post Office after service with the U.S. Navy.

\$1,800 Gift

DePauw University has received a gift of \$1,800 from the Sears-Roebuck Foundation. Announcement of the award for the university's non-restricted fund was made this week by Dr. William E. Kerstetter, president of the university.

Pilot Strike

PARIS UPI—Air France pilots said Thursday they will strike for higher wages for four days beginning next Wednesday. The strike was announced by delegates of the nationalized company's pilots association after the collapse of wage talks at the public works ministry.

Port Slowed By 'Mystery Man'

TERRE HAUTE UPI — A "Chicago mystery man who is being served by Sen. Paul Douglas and Sen. Birch Bayh" was blamed Thursday night for trying to block construction of the Burns Ditch port on Lake Michigan.

John K. Snyder, Washington, Republican nominee for state treasurer in 1964, said in remarks prepared for delivery at an Indiana State Young GOP meeting that the port's progress was slowed by "a mystery man in Chicago who is a business politician manipulator in the Democrat Party."

He said Bayh's "abject appeasement" of Douglas, D-Ill., and "his strange subservience" to the Chicagoan "have slowed down several big industrial expansion programs or even put them on the shelf."

Henry Wallace Rites Saturday

DANBURY, Conn. UPI—The nation's leaders paid cautiously worded tribute today to former Vice President Henry A. Wallace, an outspoken liberal and one of the most controversial men to attain high rank in American politics.

Wallace, who unceremoniously retreated to a farm near here following his defeat as a third-party presidential candidate in 1948, died Thursday following several months of illness. He was 77.

Funeral services will be held Saturday at St. Stephen's Episcopal Church, Ridgefield, Conn. Wallace was born in Adair County, Iowa, the son of President Harding's secretary of agriculture and the grandson of the publisher of Wallace's Farmer, a popular farm magazine.

He studied animal husbandry in college and from 1910 to 1933 was associated with the family publication, most of the time as editor. He was a Republican until 1928 when he supported Al Smith. Shortly after, Wallace met Roosevelt.

Military briefing officers said no solid contact had been made with Communist forces in the Chu Pong area for more than 24 hours. Advancing U.S. forces met only occasional mortar and sniper fire today, and 21 snipers were reported killed and one captured.

The cavalrymen repulsed three light Communist attacks during the night, and a Red mortar barrage damaged three American helicopters in a forward division landing zone near the base of Chu Pong Mountain.

Air Force B52 bombers from Guam flew two more strikes against Communist positions in the high ground.

In another combat area, South Vietnamese infantrymen airlifted into battle by U.S. helicopters charged Viet Cong machinegunners and recaptured the district capital of Hiep Duc 345 miles north of Saigon.

A company of Vietnamese marines outnumbered three-to-one fought off a Viet Cong attack 12 miles southwest of Saigon today and killed 15 guerrillas in a fierce hour-long battle. Vietnamese losses were described as light.

U.S. officers at Tan Hiep airfield 25 miles south of Saigon said 114 Communist bodies had been counted after Thursday's battle between 1,000 guerrillas

Overfed Deer

LEICESTER, England UPI — The popularity of "Whitey," Bradgate Park's only all-white deer, was an indirect cause of his death. Veterinarians found he had eaten five plastic bags, webbing and tinfoil. "People offered him all sorts of objects to see what would happen. He ate them and this killed him," said Park Ranger Edward Turner.

Demanding Mourning

NAMUR, Belgium UPI — A man who threatened to punch a policeman when the officer failed to show enough sympathy for the death of his dog, received a suspended fine of \$10.

Remap May Go To High Court

INDIANAPOLIS UPI — Indiana has a constitutional reapportionment plan today, so far as three federal judges are concerned, but the choice faces a probable appeal to the United States Supreme Court.

Senate President Pro Tem Jack Mankin, D-Terre Haute, said that in selecting the second choice House plan of the lawmakers, the judges apparently are hewing more closely to the one-man-one-vote rule than any Supreme Court rulings have required.

The three-judge panel ruled that the Senate plan given first priority, and the first and second choice House plans "do not meet federal standards of constitutionality."

But the judges said the second-choice Senate plan, authorized by Sen. Alan I. Kilman, D-Indianapolis, and the third-choice House map, known as "Plan C" or "declared constitutional and valid."

These two plans were specifically tailored to be as nearly as possible within 10 per cent of ideal population figures. Both contain districts which are in violation of state Supreme Court interpretation of constitutionality.

During the same period, the South Vietnamese lost more than 750 killed, while more than 3,500 Communists dead were counted.

Glenn Shinn Died Friday Morning

Glenn Shinn, Bainbridge, Route 1, died Friday morning. He is survived by his wife Irene; three daughters, Paula Sue Shinn, Patricia Louise Asher, Bernaella Eaton, and one son, John Oliver Shinn.

Funeral arrangements will be announced later by the Hopkins-Walton Funeral Home in Bainbridge.

1st Cavalry Inflicts Hard Cong Blow

SAIGON UPI — Troops of the U.S. 1st Cavalry Division have killed a confirmed 1,207 Communists in the bitter fighting around Chu Pong Mountain, an American military spokesman reported today.

Actual Communist losses in the battle, now in its sixth day, may reach as many as 2,000 when additional bodies are found, authorities said. U.S. casualties, officially described as "moderate," are believed to be the heaviest of the war.

The American cavalrymen pushed on through the Chu Pong jungles today in search of a suspected supply base for the North Vietnamese Army. U.S.

and two battalions of Vietnamese Rangers. In air action over North Viet Nam, Communist anti-aircraft gunners shot down a U.S. Air Force F105 fighter-bomber Thursday, but the pilot bailed out and was rescued.

In the fighting at Hiep Duc, government forces "fighting like tigers" charged entrenched guerrillas and a hail of machinegun fire to recapture the district capital 28 miles south of Da Nang.

Final Vote Due In Vatican City

VATICAN CITY UPI—The Ecumenical Council headed for a final vote today on the momentous question of religious liberty. The vote was considered one of the most crucial of the historic, four year old assembly.

More than 2,300 bishops convened to ballot on the declaration aimed at recognizing the principle of freedom of worship in the Catholic Church. The Council will recess for a week after today. The bishops received copies of the final draft of the controversial declaration on Wednesday.

The Greencastle Business and Professional Women's Club held a dinner meeting Wednesday evening in the DePauw Union Building. Mrs. Mary Shaw, President, presided. There were 45 members and four guests present.

The occasion celebrated the 40th anniversary of the organization of a Business Women's club in Greencastle. The national organization was founded in St. Louis, Mo., in 1919.

No business was transacted but a telegram was read and roses acknowledged from Mrs. Ova Daniel Bryan, of Centerville, a charter member, who was unable to attend. Mrs. Catherine McCord and Miss Pearl O'Hair, two other charter members were introduced.

"Do You Remember?" a skit theme was presented by the committee in charge of the meeting.

Mrs. Vera Blanchard wrote the skit and was assisted in its presentation by Miss Margaret Kendall, Miss Elizabeth Ensign, Miss Grace Browning, Mrs. Ellen Reed and Miss Edith Browning.

The skit reviewed the history of the club and pointed out some of the outstanding meetings and projects that the club had enjoyed throughout the years. Charter members were: Marie Zaharakis, Mildred Allen, Ova Daniel Bryan, Mona McCallister, Pearl O'Hair, Dade B. Shearer, Catherine Tiltonson McCord, Helen Black and Esther Bodell.

Among the outstanding projects were the furnishing and maintenance of a room at the Putnam County Hospital, a scholarship loan fund which has provided 28 young women with funds to further their education, other and varied community projects that have made the club a community asset during the past 40 years. The skit was greatly enjoyed and brought back many happy memories.

Miss Lorna Barber, a former member of the DePauw faculty, gave a short talk on her recent stay in Jerusalem, Jordan, where she worked with the refugee women of that country. Miss Barber has spent several years in the Far East.

The December meeting of the club will be a Christmas party at the home of Miss Grace Browning, 417 East Washington Street.

Friends may call at the funeral home in Bainbridge at any time.

Farm Sentence

Leland Brown, 37, city entered a plea of guilty when arraigned in the Putnam Circuit Court Thursday on a charge of non-support of wife and minor children.

Judge Francis N. Hamilton sentenced the defendant to serve six months at the Indiana State Farm and fined him \$1 and costs.

Ike Will Go To Walter Reed

AUGUSTA, Ga. UPI — Doctors are expected to say today when former President Dwight D. Eisenhower will be moved to Walter Reed Hospital in Washington where he can observe Thanksgiving Day with his family.

It has been more than a month since the Eisenhowers have seen their four grandchildren. Their son, John, last week visited the Ft. Gordon Hospital where the former President has been confined since suffering two mild heart attacks. Eisenhower's doctors reported during the last few days he was eating well but they have not said whether he will be able to have turkey and at least some of the trimmings on Thanksgiving Day.

Virgil J. Ader Describes Trip

Virgil J. Ader of Bainbridge gives the following account of his recent plane trip:

I took a jet plane TWA from Indianapolis to New York in one hour and 25 minutes, where my son, William C. Ader, and his two boys were there to meet me. While at his home he and his family drove me to West Point in New York and spent most of the day with my grandson, Steven Ader. He is the son of Wayne Ader at Sullivan, Ind. West Point is a wonderful place.

After staying at William's place for a few days, I went by jet TWA to Los Angeles, Calif., and changed planes and arrived in San Diego. My daughter Lorene and her family were there to meet me. They drove me to their home in El Cajon, Calif.

While staying at their home we drove 135 miles down in Old Mexico where they have a house trailer and a large boat on the coast. We spent two days there fishing. We went out into the ocean about 8 miles and I caught three large fish, one 12 pounds, one 10 lbs. and one 18 lbs. Sure was fun.

Then we drove back to El Cajon. It rained for two days and was still raining which was the first rain they had had all summer. I came home on the plane and had a most wonderful trip. Of course I think U. S. A. is a wonderful country. May God Bless It All and everybody.

Town And Country Young Adults Meet

Town and Country Young Adult Club met November 10 with eighteen present.

Meeting was called to order by the vice president, Barbara Fry. Ralph Fry led the group in singing a few songs including the Rural Youth Song.

Secretary's report was read to which an addition was made, the name of John Black was to be added as one of the voting delegates to the District "Talk Meet" on October 20. Devotions were given by Becky Lambert.

Jean Wolfe of Hendricks County and Joyce Bills reported on the State Convention which was held in Indianapolis this past weekend. Joyce told of her experience at the "Talk Meet" — her subject being "The Importance of Continuing Education"; and Jean told of the State Officers meeting. District VIII was the winner of the "Talk Meet."

John Black, as chairman of the program, introduced Art Zaring representing the Community Activity Council. Mr. Zaring told of the many activities of the Council and said that the city is seeking state and federal aid for their recreational program.

Jean Wolfe extended an invitation for their Rural Youth meeting which will be November 23 at 8:00 p.m. in the Farm Bureau Insurance Building. Also, officers are asked to meet Sunday, December 5 at 2:00 p.m., in the Hendricks County Court House for typing of a directory of officers.

Charles Felkner introduced Mike and Nancy Jo Petro, representing Farm Bureau, who will be the sponsors when Mr. Felkner leaves Putnam County.

Charles pointed out things to be done at the start of this club year such as membership cards, club constitution, program planning, community service projects, and dues for the year. Ralph Fry made a motion that the dues be set at \$1.00 per year — motion seconded by John Black; motion carried. These dues will be paid at the next meeting.

The officers plan to get together Monday evening, Nov. 29, at 7:30 p.m. at the home of Mike and Jo Petro for program planning.

Barbara appointed Becky Lambert as chairman for the program for the December meeting.

With no further business, Barbara dismissed the meeting for recreational period under the direction of Ralph Fry.

Chinese Reds Assail U.S.

TOKYO UPI — Communist China said today it does not want to join the United Nations until the world organization is overhauled and freed from alleged American control.

The Chinese statement was Peking's first official reaction to last Wednesday's vote by the General Assembly barring the Peking government from U.N. membership for the 15th consecutive year.

An editorial published in the Peking Peoples' Daily, the official newspaper, accused the United States of trying to isolate Communist China and impair its prestige by keeping Peking out of the United Nations.

Copper Released OK'd By LBJ

WASHINGTON UPI—President Johnson has approved the release of 200,000 tons of copper from the government stockpile on grounds that it is needed for national defense.

The White House released a memorandum from the President to Buford Ellington, director of the Office of Emergency Planning, to release the copper. It also made public a memorandum from Ellington saying, "The present situation in the market for copper and the outlook for the near future poses serious risks to the common defense."

Both of the memoranda were dated today, although plans for releasing the copper were announced Wednesday night by Defense Secretary Robert S. McNamara.

A White House spokesman said the government will use about 250,000 tons of copper next year and that Defense Department requirements would be about twice the amount used this year.

He said there was a world shortage of copper and that the supply outlook had been affected by strikes in Chile and uncertainty about production in Zambia, which adjoins Rhodesia.

An increase in copper prices by U.S. companies led to the government action. McNamara, in announcing a four-point program, said it was aimed at heading off "strong inflationary developments . . . which would seriously impair our defense efforts in Viet Nam."

Club Meets With Mrs. George Walton

Tip Toppers Home Demonstration Club met at the home of Mrs. George Walton on Tuesday, Nov. 16. The usual business was conducted by the president. Roll call was answered by ten members and one guest, Mrs. Goldie Gutheridge.

The lesson this month was given by Mrs. Ralph Cox on "Community Responsibility for Its Senior Citizens."

Health report was given by Mrs. Cloyd Allen. Lesson leaders were appointed for the coming year. Mrs. Charles Chestnut gave the secretary's report, followed by the treasurer's report given by Mrs. Jack Anderson.

The arrangements were made for the Christmas party to be held Dec. 11 at the Community Building at Cloverdale.

The meeting was closed with the club prayer.

Walkout Staged At Space Center

CAPE KENNEDY UPI — Gemini spacecraft workers went on strike today forcing project officials to take stopgap measures to maintain the schedule designed to launch four astronauts in time to get them home by Christmas.

But the walkout, called at midnight against the McDonnell Aircraft Corp., already set one critical test back a day and threatened to delay next month's twin Gemini launches.

Gemini 7 is set for a Dec. 4 blastoff with Gemini 6 following Dec. 13.

Parking Ticket

NEW YORK UPI — Despite the hand-printed sign saying, "official car, Mayor-elect John V. Lindsay," Patrolman Thomas Mara Wednesday, tagged the illegally parked auto with a \$15 ticket.

Thursday, Mara got a letter of commendation from Lindsay. "Your ticket was deserved and of course it shall be paid immediately," the mayor-elect said. "There will be no special privilege in my administration in city hall and if there are any requests for the same I want them reported to me."

Many Asking For Flag Pins

INDIANAPOLIS UPI American Legion national headquarters here announced Thursday it had received more than 11 million requests for American flag pins it is distributing in "Operation Show Your Colors."

The Legion said the demand for the label pins in a program to display support of the nation's policy in Viet Nam has exceeded all expectations. Early estimates placed the number of requests at from 5 to 10 million.

1 Dies, 2 Missing In Ohio Blaze

AKRON, Ohio UPI — One person was killed and two firemen have been reported missing in a fire that engulfed an entire city block on Akron's east side early today.

Police said an elderly woman was dead on arrival at city hospital. The firemen reported missing were fighting the blaze discovered at 2:43 a.m. EST by a police cruiser. It was reported still out of control at 5:30 a.m. EST.

The area in flames contained a complex of stores, offices and apartment buildings. It is about a block from the Goodyear Tire and Rubber Co. plant and across the street from a nursing home.

Police said residents of the nursing home have not been evacuated because there was no threat of the blaze being carried across the street by winds. All available fire fighting equipment was dispatched to the area.

Ex-Actor Guilty Of Manslaughter

IDIO, Calif. UPI — A jury of 10 women and 2 men Thursday night convicted former actor Tom Neal of involuntary manslaughter in the shooting death of his estranged third wife.

The jury returned its verdict at 9:50 p.m. PST. 12:50 a.m. EST after deliberating 10 hours. Superior Judge Hilton McCabe referred the case to the Riverside County Probation Department for investigation and recommendation as to the sentence.

McCabe ordered Neal, 51, to return Dec. 7 for sentencing. If sent to jail, it would be possible for Neal to be released from prison in less than one year with time off for good behavior, sources indicated.

Mrs. Gail Neal, 29, was shot in the head with a 45-caliber pistol in the couple's Palm Springs home last April 1.

The prosecution asked the jury to convict Neal of first-degree murder, claiming he shot his wife as she slept on a sofa. Neal, however, claimed the shooting was accidental during a struggle for the pistol while the couple was having a sexual interlude.

The jury began its deliberations Wednesday.

Card of Thanks

I want to thank the entire staff at the Putnam County Hospital, Doctors, Nurses, Nurses Aids for their wonderful care and kindness shown me during my stay in the hospital. Also all my friends and relatives for the cards, flowers, letters, and visits, it will always be remembered and appreciated.

FOUR STAGES OF SPACE GEOMETRY necessary for rendezvous and docking of the Gemini 6 with the Agena rocket are illustrated in these drawings. The astronauts must maneuver until their orbit matches that of the Agena, then guide the Gemini into its target. Both vehicles will be traveling at more than 17,500 mph, but their relative speed at time of docking must be less than 1 mph. Development of this docking technique is necessary for such missions as the Apollo Moon landing, space station resupply, repair.

WASHINGTON UPI — The Agriculture Department said today retail food prices will increase in 1966, but not as much as in 1965.

In a review of the national food situation, the department said red meat prices are expected to average higher in 1966, based on the expected decline in per capita supplies. But potato prices likely will drop considerably as a result of this fall's large crop. The department said 1966 prices for fresh vegetables, citrus, and poultry are expected to average below this year. But prices for many canned fruits and vegetables may increase.

The department said retail prices for all foods this year are increasing more than 2 per cent this year, more than twice the advance of 1964. So far this year, the department said prices of food bought for home use went up more than prices for food away from home. The increases were most notable for red meats, fats and oils, and fresh vegetables, particularly potatoes. Although most prices

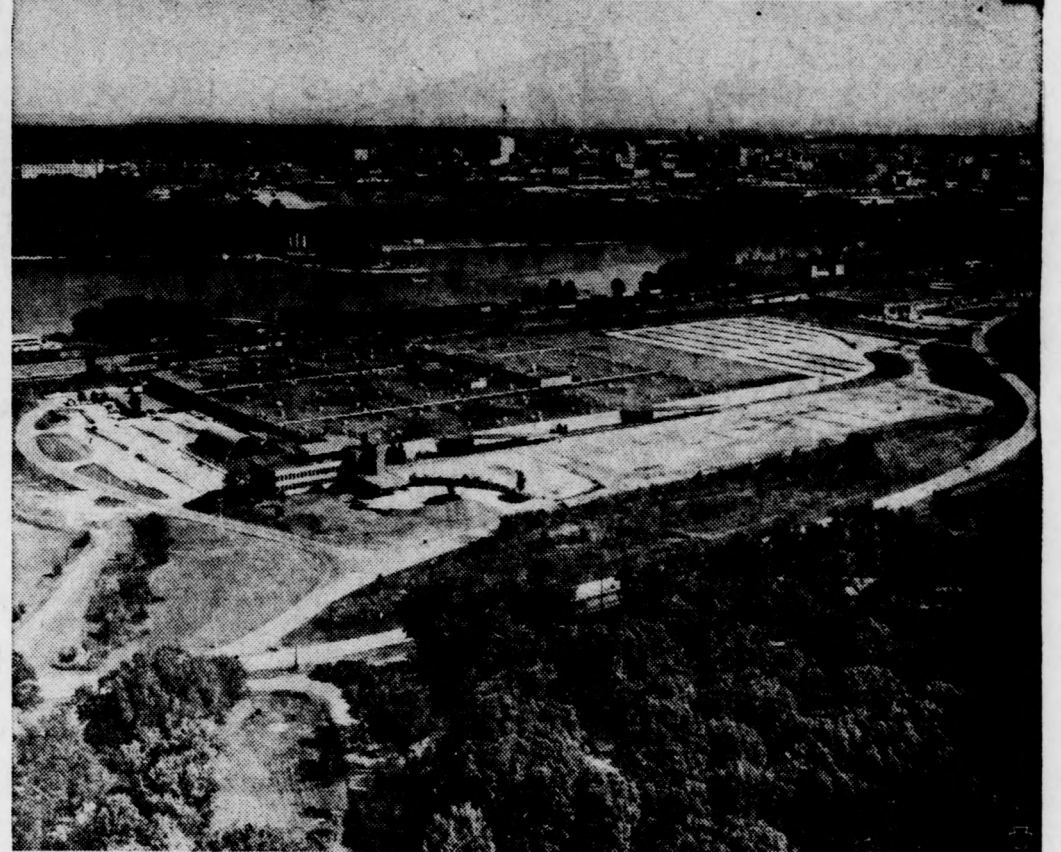

increased, some declined, including prices for citrus fruit, eggs, sugars, and instant coffee.

The department said food expenditures in 1966 are expected to increase again, in line with a generally expanding economy and a rising population. The rise in expenditures, however, is expected to be less than the 6 per cent gain in 1965.

The Agriculture Department today estimated the soybean carryover next Sept. 1 will be about 90 million bushels. This compares with a carryover of 30 million bushels at the beginning of the current marketing year.

The department has estimated the 1965 soybean crop at 853 million bushels, 22 per cent greater than in both 1964 and 1963. Domestic crushings were estimated at 515 million bushels, and exports at 250 million bushels. These amounts plus soybeans for seed, feed, and waste are expected to leave a carryover next Sept. 1 of 90 million bushels. This would be equivalent to about one and one-half months' requirements for crushings and exports.

Firm Moves Executive Offices To Corn Belt

NEW HOME of third-ranking farm machinery manufacturer, Massey-Ferguson Inc. On September 1, John G. Staiger, company president, announced plans to move his company's executive headquarters from Detroit to Des Moines for "closer contact with and service to our corn belt customers." The company purchased the modern, former Solar Aircraft Company plant in Des Moines from the Iowa State University Foundation. Massey-Ferguson will spend \$2.5 million over the next 12 months renovating and equipping the 590,000-square

foot factory as its new North American Farm Implement plant. It will also double the size of existing office facilities. Over the past five years, said Mr. Staiger, MF has introduced "one of the strongest farm equipment product lines ever engineered specifically for the corn belt farmer. The new implement factory in Des Moines will add to that corn belt product line." The transfer of management staff to Des Moines and renovation of the plant and offices will begin immediately.

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Foolish Penalty Double
Should Guide Declarer

By Alfred Sheinwold

If you go to Israel to play in the international bridge tournament next February, you may not have to leave the bridge table to find out why the ancient Israelites wandered in the desert for forty years. The answer may lie in a bridge hand, as in the hand played last September at the European Championships.

Opening lead — ♠ 4

The Spanish expert who doubled four hearts is a brave man, but I noticed that he didn't look his partner in the eye after the hand was over. He led the four of spades, and East shrewdly played the eight to drive out the ace.

Zeev Duchovny, who played the hand for Israel, should have returned a heart at once to finesse with dummy's eight. This play, based on West's foolish double, would bring the contract home against the best defense.

Actually, Duchovny started

his wonderings in the wilderness by leading his singleton club. West took the ace of clubs and returned a spade to dummy's king. Declarer ruffed a spade, led a diamond to dummy's queen and then returned a low trump, finessing the queen to West's king.

HELP FROM ENEMY

West could defeat the contract by cashing the ace of diamonds, but he led a club instead. South would be unable to get with the ten of clubs and played low diamonds from both hands to put West in with the ace of diamonds.

Now West could defeat the contract by returning a trump; South would be unable to get out of dummy to draw West's last trump. West actually led another club.

Duchovny discarded his last two diamonds on the jack and king of clubs, ruffed dummy's diamond with the ace of trumps and returned a trump to win a finessing the queen to West's "Home at last," he said thankfully.

Maybe it just seemed like forty years.

DAILY QUESTION

Partner opens with one club, and the next player passes. You hold: S-Q 9 8 3 2 H-7 D-J 8 5 C-6 5 3 2 What do you say?

Answer: Bid one spade. If partner lacks spade support, you can let him play the hand at clubs. With a wild partner, you had better pass instead of making any response at all. (The response of one diamond made in the match was an artificial bid of weakness in response to a forcing bid of one club. Very few players use a forcing club system.)

Funny Robber

REDWOOD, CITY, Calif. UPI—A colorful bandit robbed a branch of the Bank of America of \$3,705 Thursday in the presence of a dozen startled employees and 15 customers.

Witnesses said he carried a nickel-plated, old West-style six-shooter and wore a red mustache, a swiss Tyrolean hat and a turtle-neck sweater.

"This is a hell of a way to earn a living," he commented as he left by the back door.

Protection Asked

BOSTON UPI—State Rep. James H. Kelly, D-Boston, introduced a resolution Thurs-

day to have the Boston Police Department put under the supervision of the state because "murderers are running rampant in the streets."

Kelly's resolution referred to the many gangland killings that have taken place in greater Boston during the past several months.

Truck Explosion

VALENCE, France UPI—A truck carrying 15 tons of dynamite crashed head-on Thursday with another truck on a national highway near here. Both vehicles were badly damaged, but there was no explosion and nobody was injured.

British Praise Humphrey Gibbs

LONDON UPI—Parliament today joined Queen Elizabeth II in paying unique tribute to loyalist Governor Sir Humphrey Gibbs of Rhodesia, who stands alone for British rule in the breakaway African colony.

A bi-partisan resolution was placed before Parliament praising Sir Humphrey for his "courageous stand" in the face "of illegal attempts to drive him from office." All 630 members were called upon to affix their signatures to the all-party declaration.

Gibbs has refused to bow to demands by rebel Rhodesian Premier Ian Smith that he step down. Gibbs, 62, was replaced by the Smith regime with London-born lawyer Clifford Dupont but has refused to vacate Government House in Salisbury.

The Queen Thursday night awarded Gibbs her personal order of knighthood, making him a Knight Commander of the Royal Victorian Order. The order was instituted in 1896 by Queen Victoria and is bestowed for personal services to the queen.

Sir Humphrey already had been awarded knighthood, being made a Knight Commander of the Order of St. Michael and St. George in 1960 when he was named governor. He also is a member of the Order of the British Empire (OBE), the same title which caused a stir when the Queen awarded it to the Beatles this year.

The British Broadcasting Corp. (BBC) said it would take special measures to assure that radio accounts of the tributes to Sir Humphrey were short-waved into Rhodesia.

Fish Story

BOURNEMOUTH, England.—UPI—Fisherman Rad Pearce, who had not had a nibble for several hours, was about to call it a day when a four-pound mullet suddenly leaped out of the sea and landed in his boat.

Bulgarians Defect

ISTANBUL, Turkey UPI—Two Bulgarians defected to Turkey Thursday, crossing the border near the Turkish frontier town of Edirne, Istanbul security authorities reported. In addition to the two-factory workers Zapfran Uzunav 31 and technician Todor Kuyumunski 29-13 other Bulgarians defected earlier this week when the cruise ship Nessakar docked at Istanbul, the authorities said.

Steam For Winter Infections

TWO of my four small children have a tendency to develop croupy coughs. They seem to benefit from steam inhalations. Is there a danger of overdoing it? What is the safest and best way to use it?

Mrs. F. E., Massachusetts
Dear Mrs. E.: Steam is extremely helpful in the treatment of coughs, croup, bronchitis, laryngitis and sinus infections. The value of steam in these conditions cannot be overemphasized. Thick, tenacious secretion in the nose and in the bronchial tree can be loosened by the beneficial moisture.

Steam counteracts the dryness of the air, especially in an overheated room. The lining of the nose, mouth, larynx and the bronchial tubes are made more comfortable by the humidifying process.

During the many years of its use steam inhalations have acquired a wide assortment of herbs, medications and volatile oils, believed to be improvements on plain steam. Benzoin, camomile tea and menthol are well-known additions to steam inhalators.

In most instances, all that they really add is a distinct odor, and not always a pleasant one. At best, they add very little to the real value of steam. There are various ways of creating steam inhalations.

A bathroom can be filled with steam rather quickly. A croupy child, held in the parent's arms, usually quiets down immediately in such a steam-filled room.

Electric vaporizers are available in various sizes and types. For a maximum of safety and a maximum of steam, it is wise to invest in the best possible one. Be sure that it is sturdy and won't tip over.

The very small vaporizers are easily tipped and require con-

stant watching. Because they produce so little steam, a "tent" should be made to catch the steam. This is done by spreading a sheet over an open umbrella.

The larger vaporizers can continue to humidify the air after a concentrated period under a "tent."

A steam kettle covered with a towel, or even inhaling the steam from a running hot water faucet, is a way of getting helpful steam.

Care should be taken not to get so close to the steam that the face burns. Instantly after steaming, be sure that the patient is dried off thoroughly, powdered and kept out of drafts.

Many patients like to drape a dry towel over the head for five or ten minutes. Infants and children should never be left alone during a steam inhalation.

Excessive steam can be a burden on the heart and lungs of people in late middle age. Patients with chronic heart ailments and high blood pressure should not be subjected to concentrated steam.

There are now a number of excellent cold steam vaporizers which serve almost the same purpose as hot steam. From the point of view of safety, they are to be recommended.

Steam is an excellent form of treatment. Yet, like all treatment, it should be done in moderation, and under the direct control and advice of the physician.

SPEAKING OF YOUR HEALTH—Low back pain should never be treated by vigorous massage or haphazard manipulation until the exact diagnosis has been determined.

Dr. Coleman welcomes letters from readers, and, while he cannot undertake to answer each one, he will use questions in his column whenever possible, and when they are of general interest. Address your letters to Dr. Coleman in care of this newspaper.

News of Hollywood

HOLLYWOOD UPI—Walter Brennan, flitting around Walt Disney's studio as a spry 943 year old gnome, has never worked harder in his 72 years and is looking forward to stepping up the pace.

The only actor to win three Academy Award Oscars for supporting roles in 1936, 1938, 1940, Brennan has more than 100 movies under his belt in addition to a pair of television series.

When he completes "The Gnomobile" for Disney the ancient ham will tackle still another television show.

"Work is my hobby and I've got to keep busy," he said, munching a turkey sandwich in his dressing room. "I wouldn't know what to do if I had to quit work."

"A two or three week vacation is all right, but that's all. Retirement? Never! That's just sitting around waiting for the undertaker."

Brennan was infuriated last week when one young man complained about having to work on Veterans' Day.

"Can you imagine that?" the older asked. "I told him he was damned lucky to have a job. And he has an easy role. I play two parts in this picture, lumber tycoon and a gnome. This gnome costume weighs 20 pounds, and I'm in every scene. But I love it."

Brennan's day begins before sunrise. By 7 a.m. he's on his way for the 45-minute drive by chauffeur from his 11 acre ranch in Ventura County to Disney's. He is rarely home before 7 p.m.

How does he manage the tough schedule?
"Built in, I guess," he said. "I know some guys of 40 who never should have started at all. I have a steak for breakfast every morning and I eat organic vegetables grown right on our own place."

"But I guess what really keeps me young is my 11 year old brain. That, and the fact that I've been a happily married man for 45 years."

"Keeping busy prevents a man from getting old, too. I love to work because it gives me something to look forward to every day. I enjoy the anticipation of every new movie and TV show I'm in."

Neil Nevins, 11, 711 Terrace Lane, Greencastle, competed at halftime of the Chicago Bears-St. Louis Cardinals game (Nov. 14) at Chicago in the 1965 Punt, Pass and Kick competition. Eighteen youngsters aged 8-13 participated. The PP&K program, now in its fifth year, is co-sponsored by the National Football League and the Ford dealers of America.

Football Mothers Hold Annual Banquet and Awards Night

Presentation of three trophies to outstanding seniors on the Greencastle High School football squad were awarded to Frank Hirt, Jim Rolls, and George Henry by coach Jerry Chance at the annual Football Mothers Club banquet.

Hirt received the Coaches Trophy, Rolls was awarded the Most Valuable Lineman trophy, and Henry captured the Most Valuable Back trophy.

The annual event, put on by the Football Mothers Club, was held Wednesday evening in the high school cafeteria where a large crowd of parents and special guests attended.

As master of ceremonies, coach Jerry Chance introduced his squad to parents and guests. As he did so he presented awards of small gold miniature footballs to each senior. The awards were engraved with each boy's name. Boys receiving the senior awards were Tim Baynard, Pat Billingsley, Bill Cromer, Craig Hammond, Mike Dunn, George Henry, Frank Hirt, Gary Huber, Josh Lancaster, Steve Mont, Bill Nanovsky, Jim Rolls, Louis See, Dewayne Wilson, Tom Scholl and Damon Davis. The awards were sponsored by the mothers club.

Awards were also made to cheerleaders Janice Barrett, Missy Lambert, and Linda Patterson.

Featured speaker of the evening was Frank Luzar, Athletic Director at Washington High School and professional official for the National Football League. Luzar entertained the crowd by relating some of his experiences as a football player, coach and official. He remarked humorously, "Football is not a contact sport; dancing is a contact sport; football is a collision sport."

Luzar also complimented the boys upon choosing to play a rough game like football because it develops the discipline, emotional stability, and the courage to think and survive that is required of all men.

"The number one factor in making a boy excel on the football field is conditioning," remarked Luzar. "I remember remarks of praise after a game, more than the money I earned."

Special music for the affair was provided by Steve Grimes and Linda Fisher. Both sang a solo and then combined talents with a duet.

Mrs. Louis J. Luzar headed the Football Mothers Club in preparing the banquet.

Jim Todd Headed For Indiana College Scoring Honors

INDIANAPOLIS UPI — Ball State's Jim Todd, who scored 8 points against Southern Illinois Saturday to amass 76 for the season, appeared headed for the Indiana college football scoring championship today, though he may take it by the smallest of margins.

Todd currently leads John May of Wabash by only 1 point. If Purdue's Bob Griese or Notre Dame's Bill Wolski come up with really big Saturday's Todd may be in trouble, but otherwise he appears in.

Todd led the Cardinals to the Indiana Collegiate title and an unbeaten, untied season, taking with it a possible bowl bid.

May finished the campaign with 75 points, also coming up with 8 markers Saturday when Wabash won its perennial Monon Bell contest against DePauw. He is only a junior and will be back for another season, while Todd, a senior, has played his last regular-season game.

Earlham's Doug Seibert took the Hoosier scoring crown a year ago with 90 points.

In third place was Dick Dullaghan of Butler's Bulldogs, who sprinted for 15 points against Western Kentucky Saturday to boost his total to 66 points. Indiana Central's Dave Smith was fourth with 60 and Griese, the sparkling Boilermaker quarterback, was fifth with 55.

Wolski's 52 points following sixth place Bob Harms, a Taylor freshman who scored 54 points. Wolski was expected to be ready for Saturday's Michigan State contest. He turned in the single most outstanding performance by a Hoosier this season, coming up with five touchdowns against Pittsburgh. He did not play against North Carolina.

Dean Howard of Ball State, with 50 points, and Mike Mundy of Anderson and Chuck Dennison of Butler, with 49 points each, made up the rest of the top 10 scorers.

NEW YORK UPI—Two utility companies in the Northeast, Long Island Lighting Co. and Public Service Electric Co. in New Jersey, announced plans to install gas turbine auxiliary plants to help out in case of future blackout emergencies.

Rick Mount to Make Debut

INDIANAPOLIS UPI — Rick Mount, perhaps the most talked-about Indiana high school basketball player since Oscar Robertson, and his Lebanon Tigers make their season debut this week along with such perennial powers as Lafayette, Muncie Central, Kokomo and Columbus.

With the 6-3 Mount expected to be better than ever, Lebanon could be improved over last year's 15-5 season record and might even develop into a bonafide state tourney contender next March.

Mount tossed in 57 points in an intra-squad game last week, but the shooting starts for real tonight against Otterbain. The Tigers also meet Crawfordsville at Hinkle Fieldhouse here Friday.

Lafayette, the 1964 state champ back under the reigns of Marion Crawley, who sat out last season to recover from illness, opens at home against Attica Saturday with another promising quintet.

Muncie Central, only 5-time state champ, will play its first full season since 1964-65 when it opens against Hartford City Friday. The Bearcats were called on the carpet for unsportsmanlike conduct last year and a one-year suspension from the IHSAA cut their last hardwood season in half. With four starters gone, it should be a rebuilding year for Ike Tallman.

Kokomo's North Central Conference football champs entertain Sheridan in their home opener Friday with a club built around 6-8 Mark Gabriel and 6-4 J. R. Jordan.

11 Ball State Players Named to Ind. Collegiate Conference Team

A whopping eleven Ball State players have been elected by coaches and players to the fifteenth annual all-Indiana Collegiate Conference football teams for 1965.

Departing from the traditional "first eleven," the ICC this fall for the first time picked an all-league offensive team and an all-loop defensive team.

The undefeated 9-0 Cardinals placed six men on the offensive squad and five more on the defensive unit announced today by the ICC News Bureau. Twenty-three men, including an extra because of a tie, were named to the two squads.

Indiana State placed five men on the teams, Butler (3), DePauw (2) and St. Joseph's and Valparaiso one each. Eleven more players, for a total of 34 overall, made honorable mention.

The 1965 all-star selections were virtually new faces all the way around. Only Ball State's halfback Jim Todd and center Steve Psikula and Indiana State's guard Edgar Freese were members of last year's first team.

After two years on the second team Butler's Dick Dullaghan moved to the top plateau as a defensive halfback. Dave Reeves of Ball State moved up as offensive fullback after having been there once before in 1963 as a sophomore. Reeves was honorable mention last season.

Ray McDonald, Ball State sophomore guard, is the only non-senior to make the ICC's offensive line. Averaging 223 pounds, the unit includes ends and ace pass catchers Bert Bleke (195-senior) Valparaiso and Tom Cooper (208-senior) DePauw; guards Leo Seitz (230-senior) and McDonald (235) of Ball State; center Psikula (232-senior) and his teammate, 231 pound senior tackle Eric Bishop. Butler's Tom Sayre (230-senior) and Indiana State's Bernard Heins (220-senior) tied for the other tackle slot opposite Bishop.

The offensive backfield includes the league's total offense and forward passing leader for 1965, St. Joe's junior quarterback Duffy Hagist, plus the loop's top rusher and scorer, Jim Todd, at one of the half-back positions.

Elsewhere Dave Reeves was tabbed as the league's number one fullback and John Nesbitt of Indiana State was picked to fill the other halfback post. Nesbitt was second in ICC rushing; Reeves was ninth in rushing and third in scoring. Nesbitt, Todd and Reeves are seniors.

Considerably more youth pops up in the ICC defensive unit. Half of the 227-pound average six-man line will be back next season and both of the two linebackers named to the unit will get another chance at further laurels.

Picked at the ends were Bob Coatie (211-junior) Ball State and John Truitt (225-junior) Indiana State; tackles Ed Gardner (236-senior) DePauw and Chuck Streetman (260-sophomore) Ball State; guards Ken Leffler (220-senior) Butler and Edgar Freese (210-senior) Indiana State.

The coaches and players also picked Indiana State's Bob Pychinka (170-junior) and George Hathaway (200-sophomore) of Ball State as linebackers. Three defensive halfbacks chosen were Ball State's Nicky Baker (186-senior) and Bill Hajeck (170-senior), plus Dick Dullaghan (155-senior) of Butler.

Honorable mention choices were Darryl Phillips (OT), Gordon Jaffray (DT), John Lidy (DHB), and Jim Havill (DLB), all of Evansville; Larry Lewis (OE), Dean Howard (OHB) and Frank Houk (QB), all of Ball State; Bob Crawford (OG) and Joe Dezellan (OC), both of Butler; Joe Mercado (DE), St. Joseph's; and Richard Soeken (DG), Valparaiso.

Dullaghan Is Butler's MVP

INDIANAPOLIS UPI — Dick Dullaghan Wednesday night received his second consecutive Butler Most Valuable Player football award at the annual fall sports banquet at Atherton Center.

Dullaghan, at 5-7, 155 pound, one of the smallest players on the field, also received the Hilton U. Brown Award for mental attitude and leadership.

"He's one of the finest players we've ever had," head coach Tony Hinkle said. "He always gave you that something extra for he loved to play football. He did a lot to things for us... he was a sparkplug."

The 1965 season was Dullaghan's best for the Bulldogs. He led the team in punt and kickoff returns, and scored 66 points, including 12 conversion kicks.

His 4.7-yard-per-carry average was second on the squad and he finished third in pass receiving. In three years, Dullaghan gained 838 yards, averaging 4.7 yards, and scored 114 points. He also caught passes for another 330 yards.

Lakers Defeat Celtics

By United Press International
When Darrell Imhoff out-rebounded Bill Russell, it almost figures that the Los Angeles Lakers will defeat the Boston Celtics.

That's just what happened Wednesday night when Imhoff came off the bench and teamed up with the incomparable Division leading Lakers to a 125-115 victory over the champions.

In the only other game, Cincinnati's Royals won their seventh straight game and took over first place in the East with a 131-115 defeat of the Philadelphia 76ers.

In Los Angeles a crowd of 12,774 came out in heavy rain to watch West score 46 points and Imhoff grab 21 rebounds in three quarters to off-set a hot shooting performance by Boston's John Havlicek. The Celtics' sixth man scored 41.

Imhoff grabbed 10 rebounds in the second quarter when the Lakers outscored Boston 22-1 in one five-minute rush and overtook them for an 11-point half-time lead.

However, Havlicek's 16 points in the third quarter and shooting early in the fourth period brought the Celtics roaring back.

West broke the game open again with five straight points after the score was tied 107-107, and Boston never caught up.

Elgin Baylor played only the first five minutes of the second half with a strained tendon in his good knee, while Willie Nauss, Larry Seigfried and Ron Bonham all missed action for Boston because of injuries.

Sam Jones scored 30 for Boston, while Rudy Larusso got 21 for the Lakers.

At Cincinnati the Royals never trailed after early in the first period, as Oscar Robertson, Jerry Lucas, Adrian Smith and Connie Dierking all scored over 20 points. Robertson led with 28.

Wilt Chamberlain didn't get a field goal until early in the second quarter, but led all scorers with 46 points.

2-Mile Run to be Added to Track

INDIANAPOLIS UPI — By popular request, the IHSAA has added the two-mile run to Indiana high school track, making the state meet a 14-event affair.

The IHSAA Athletic Council took the action recently.

The council decreed that the added event be run just prior to the mile relay.

It further decreed that a contestant in the two-mile run will not be permitted to participate in any other track event which he runs the 880 or mile.

At the same time, no contestant in the state meet who runs the 880, mile run or two-mile run may participate in any other race of 880 or more yards, the IHSAA said.

IHSAA Commissioner Phil Eskew said the latter rule was passed at the last track rules meeting of the National Federation of High School Athletic Associations.
